

Instruction to Parents Regarding Online Classes

Dear parents,

Kindly go through the below mentioned instructions for beginning of your ward virtual classes.

1. Students must be instructed to take bath and then enter the virtual classroom in their proper school uniform 5 min. prior to the mentioned time with particular subject book and note book.
2. School uniform is mandatory.
3. Duration of virtual classes will be 2 hrs. with the interval of 10 min. after each class.
4. Students must have good internet connection.
5. Students are advised that during live classes first 20 min. student will not speak any thing let the teacher complete his/her topic after that last 10 min. student will get chance to ask their quarries one by one.
6. Students must talk in English only.
7. No unnecessary talk / chat.
8. Teacher will remove those who will create any kind of problem.
9. Notes / Q.A. pdf will be uploaded on website. From there you have to complete your writing work.
10. Do not take any call during class time.
11. Maintain silence in your surrounding and do not allow any one to join your class.
12. Within 5 min. students must join the class. Late entry in virtual class will not be entertained.
13. Your video has to be in on-mode during full 35 min. and audio has to be on only for the last 10 min. for discussion.
14. Without your video you will not be entertained by the teacher.
